

Zahrat Al Yasmeen Detergent Industry LLC

About Us

Zahrat Al Yasmeeen Detergent Industry LLC, is one of the pioneers in Personal, Institutional & Industrial Hygiene products manufacturer in Sultanate of Oman. We have established our reputation upon the belief that consistency in quality is essential. We use only raw materials which pass stringent quality and performance tests and which are sourced from reputable and reliable suppliers. Every batch we manufacture is tested in our own QC laboratories to ensure that it meets specification before leaving the factory.

Our motto is to manufacture and supply high quality products backed by reliable technical service. Strict adherence to quality standards has enabled Zay to get its products approved both in the local market and neighboring countries in the Middle East. Quality, service, high performance and cost effective products are key to our business that helps us to grow significantly in the market.

Zay has been in the forefront of private label business in Oman within a short period of time since its inception. Zay is currently manufacturing high-quality products for several leading regional brands.
